Material/Finish

Body: white painted steel (close to RAL 9010) with highly reflective finish.
 Louvre: open top parabolic aluminium, mirrorbrite or satinbrite.
 Side panels: white painted steel
 Diffuser: acrylic or PETG prismatic panel.

Installation/Mounting

Suitable for most 15mm or 24mm exposed tee ceilings, the luminaire simply lays onto the ceiling grid for quick installation. For installation from below into concealed fixed and plasterboard ceilings, use mini-wedge brackets (to be ordered separately).

FR: Fast versions complete with lamps, plug in electrical connection, removable transparent film and steel wire safety cord.
 DA:NO:SV: Quick versions complete with lamps and fitted with lead.

Specification

To specify state:

Recessed modular fluorescent luminaire for 14-28W T16 linear fluorescent lamps with dedicated louvre (in Mirrorbrite or Satinbrite finish) or prismatic diffuser.

As Thorn Omega 2 T5.
