

CMS Lifetime Usage per Node

Art. no. 96636205

Application

The CMS License Lifetime Usage Per Node is a perpetual cloud license for UrbaSens CITY CONNECT and UrbaSens CIVIC CONNECT.

Design notes

Benefits:

Long-term Cost Efficiency: Eliminate recurring licensing fees and future-proof your business.

Scalability: The per node licensing system allows for easy scaling as your business grows.

Accessibility: Access your CMS from anywhere, at any time, thanks to the cloud-based design.

Functional description

Perpetual Usage: One-time purchase for lifetime access to our cloud-based Thorn UrbaSens CMS system.

Per Node Licensing: Flexible and cost-effective licensing based on the number of nodes in your network.
